WHAT IS MIDYEAR?

The MidYear Meeting is one of two meetings that is held to set association policy that guides the Association through the year. While the main focus of the meeting is to set interim policy we also use the meeting as a networking opportunity for the MSGA membership. Ranchers and allied industry professionals gather together from across the state of Montana for two days filled with meetings, entertainment, education and fun!

This is the year you don't want to miss.

Thank you for your continued support of the Montana Stockgrowers Association and the ranching industry of Montana!
